### Student Health Statement

**Directions:** If your child has had his yearly check-up, then you will most likely not have to make another appointment for your child to see the doctor in order to get this letter signed. Fax this letter to your doctor and he can fax to Cornerstone Christian Academy. We will be happy to allow you to use our fax machine to send letter to the doctor if it is a local call. If your child has not seen the doctor in the past year, then you will need to make an appointment and take this form with you to be signed and dated. We **MUST** have a signed statement from your child's doctor on file at our school in order for him/her to attend classes here.

Dear Dr. \_\_\_\_\_:

Please fax the signed statement to Cornerstone Christian Academy, at 281-980-1432. Thank you so much for your prompt attention to this matter.

Sincerely,
