A Woman's Heart: God's Dwelling Place

A Study of the **Tabernacle** by Beth Moore

Goal: A more intimate relationship with God as we learn more about His will for our lives, His provision for us, our fellowship with Him, and your role as His priest in the world. Finally, you will be challenged to prepare your heart, like the holy of holies, to become a home for His love and glory - a dwelling place for the Most High God. We will have a special night to visit the Tabernacle Exhibit as a class.

Leader, Peggy Polvado F-100 next to the Welcome Center

Jonah: Navigating a Life Interrupted

Goal: To refine interruption when it comes to our relationship with God. It is easy to say that God and His plans are our most essential endeavors. It is entirely another thing to live like this is so. What if you could see God at work in the moment? What if you could learn to embrace challenging times instead of running from them like Jonah did?
